College Open Houses

**Marlan and Rosemary Bourns College of Engineering (BCOE)**
Meet BCOE and discover our commitment to excellence in research and education first hand. Learn about student professional organizations, undergraduate research and career development.

**College of Humanities, Arts, and Social Sciences (CHASS)**
CHASS staff will share information about their departments, majors and the possibilities of the college. The staff from CHASS will take questions about the transition to a research institution, learning communities for first year students and resources for Transfer students.

**College of Natural and Agricultural Sciences (CNAS)**
Explore CNAS’ interactive booths, representing all CNAS majors, for information, demonstrations, giveaways and brochures. Learn about undergraduate research, student success programs and student professional organizations.

**Graduate School of Education (GSOE)**
GSOE’s undergraduate education major will offer information about opportunities to use education as critical tool to transform communities, society and ourselves. Learn about student engagement and success efforts, community learning, and research opportunities.

**School of Business (SB)**
SB’s Undergraduate Programs Office will have academic advisors, student ambassadors and faculty available to discuss major requirements, research and internship opportunities, and other related programs.

**School of Public Policy (SPP)**
Stop by and talk with current SPP students to learn about our undergraduate public policy program, events and student success programs. Come learn what we have to offer to future policy leaders in our school.

**Student Services & Organization Fair**
Find out about UCR through the department resources, organizations, clubs and services that are available to students.

Highlander One Stop Shop
10 a.m.–4 p.m.
Student Services Building
Meet with Admissions and Financial Aid counselors for help with MyUCR and your Statement of Intent to Register (SIR).

Welcome to the CHASS
University Lecture Hall (UNLH)
CHASS is unique in its combination of the arts, humanities and social sciences into one college! Our CHASS staff welcomes students interested in a wide range of majors to UCR and gives an overview of the CHASS First Year Programs in this session.

**CNAS: Science for a Healthy World**
University Theater
CNAS is unique among land-grant universities, with life, physical, mathematical and agricultural sciences together in one college. This results in a vibrant culture that encourages interdisciplinary coursework and undergraduate research, which we call “the CNAS advantage.” Hear faculty and students talk about their experiences at this introductory presentation.

**Welcome to Education • Bourns A125**
GSOE is offering a new and exciting undergraduate major, “Education, Society, and Human Development”. Undergraduate majors in education will study, research and contribute to the educational system alongside world-class education faculty members. We invite you to explore how education can be a critical tool to transform communities, society and ourselves.

**The School of Business**
**Program for Transfers • 10–11 a.m.**
**Program for Freshmen • 11 a.m.–12 p.m.**
**Bourns B118**
UCR is home to Southern California's oldest and most comprehensive UC business administration program. This session will give you an overview of the program, the benefits of a UCR business degree and the process through which students move through the business administration major.

**SPP: Solutions for the Region, Solutions for the World**
**HUB 269**
SPP is distinctive in its focus on addressing the big policy challenges confronting communities in our region and around the world. Through this session, you can learn more about how we train and cultivate our students to become leaders who will bring innovative policy solutions to complex societal problems.

**Mathematics Open House**
**11 a.m. –2 p.m. • Bookstore Annex Room 128**
Come to this open house for interactive presentations, demonstrations and information about the Mathematics Program and Scholarship at UCR. Participate in a survey and get a FREE sandwich!

Packing
Lot 30
Follow the pedestrian signs to check-in.

Check-In
10 a.m. • Watkins Lawn

**College Welcome Sessions**
10 a.m.–11 a.m., 11–12 p.m.

**The Bourns Identity: BCOE • MSE 104**
BCOE offers opportunities for its students to meet the challenges and solve the problems of our increasingly technological society. This session gives a detailed overview of what it means to be an engineer and why the Marlan and Rosemary Bourns College of Engineering is the place to be.
Information Sessions

12–1 p.m.

A Day in the Life of a UCR Student • Bourns B118
UCR is surrounded by some of the best recreational, educational, and cultural events and activities in Southern California. A panel of students will give you their views on Riverside, UCR and how you can make the most of your time as a Highlander.

Money Matters: A Guide to Financial Aid at UCR UNLH
Money should never get in the way of your educational goals. Stop by this session to learn how grants, scholarships, work-study and loans can help you achieve your dreams.

1–2 p.m.

Academic Resource Center (ARC) • HUB 269
Learn about workshops and resources available at the ARC to sharpen study skills and to keep students on the path to academic success all year long! Join us for this very important presentation!

Education Abroad • MSE 116
The UCR Education Abroad Office is the global gateway for UCR students to learn and participate in education abroad opportunities.

Money Matters: A Guide to Financial Aid at UCR UNLH
Money should never get in the way of your educational goals. Stop by this session to learn how grants, scholarships, work-study and loans can help you achieve your dreams.

Now That You Have Been Admitted: Freshmen • MSE 104
Freshmen deadlines, forms and contracts can be confusing, but this session held by Undergraduate Admissions and Housing will get you on the right track for your first day at UCR.

Now That You Have Been Admitted: Transfer • HUB 268
Transfers deadlines, forms and contracts can be confusing, but this session held by Undergraduate Admissions and Housing will get you on the right track for your first day at UCR.

Preparing for a Career in the Health Professions Bourns B118
Do you have ambitions to be a physician, pharmacist, dentist or other health care professional? The Health Professions Advising Center (HPAC) will give an overview of the services that are available to students in all academic areas who want to work in the health professions.

University Honors • Bourns A125
University Honors values the highest levels of scholarship, focusing on our three pillars of excellence: Creativity & Innovation, Culture of Contribution, and Diversity & Global Citizenship. This presentation will describe University Honors and detail the value and benefits of this unique experience that seeks to empower our next generation of scholars and leaders.

2–3 p.m.

A Day in the Life of a UCR Student • Bourns B118
